You can use our [Data Calculator](#) to help estimate your mobile data usage.

International Long Distance Packages

We have two International Long Distance calling packages to choose from:

- **Mexico Plus Long Distance**
For \$10, you can get **1,000 minutes** of calling per month from the U.S. to **Mexico mobile** and landlines, plus calls to landlines in over 50 countries. Calls to mobile phones in Canada, China, India, and other countries are also included. Available with \$60 Monthly and \$50 Monthly plans. Limited to two packages purchased in a 30 day period. For additional details and a full list of countries, go to [att.com/goMexicoPlus](#).
- **International Long Distance**
For \$5 you can get **250 minutes** of calling per month from the U.S. to landlines in over 50 countries including Mexico, Canada, China, France, Germany, and the United Kingdom. Calls to mobile phones in select countries are also available. For additional details and a list of countries go to [att.com/gophoneintl](#).

Messaging Packages

Messaging can be a quick and inexpensive way to communicate. Text, pictures, video and sounds can be sent instantly using your wireless device. Existing customers can [log in](#) to purchase messaging packages. Available with the 10¢/Minute plan.

- 200 messages for \$4.99/month

1000 messages for \$9.99/month

- Unlimited for \$19.99/month

Packages are good for 30 days as long as your account balance is not expired. Standard rates apply if package is not renewed after 30 days. Your rate plan must be active at time of purchase or renewal of package. Also, the package balance rolls over if renewed before the package expiration date (Unlimited packages do not roll over).

BOOST MOBILE

<http://newsroom.boostmobile.com/company-overview>

When we heard you were tired of getting nickel'd and dime'd we gave you Monthly Unlimited for 50 bucks. When you needed a dependable network, we gave you the Nationwide Sprint Network. And when you wanted something back for being loyal, we added Shrinkage to our unlimited plan.

Boost has always sought to stand for something more. We've listened to you and worked to build a brand that's more responsive and more dedicated to satisfying your wants and needs.

It's our mission to let you know that we'll continue to take on the things that are wrong with wireless so you can live your life...without compromise.

ABOUT BOOST MOBILE

Boost Mobile, one of Sprint's award-winning prepaid brands, offers wireless phones and services with no long-term contracts. Boost Mobile redefines value for wireless consumers with its Monthly Unlimited with Shrinkage no-contract service, where the longer you stay the less you pay with on-time payments for unlimited voice, text messaging, Web, email and calls to 411.

Boost Mobile offers nationwide service on the Sprint Nationwide Network, reaching more than 281 million people, with no activation or long-distance fees. Boost Mobile offers a selection of quality handsets from LG, Motorola, Research In Motion (RIM), Samsung, Kyocera and ZTE, ranging from entry-level to Android™ smartphone devices available nationwide at nearly 20,000 major retail stores, including Best Buy, RadioShack, Target, Family Dollar, Walgreens and Walmart, Sprint retail stores, independent wireless dealer locations, and on HSN, a leading TV home shopping network. Re-Boost® cards are available at approximately 100,000 locations throughout the United States. Experience Boost Mobile on the Web at MySpace, Facebook and Twitter; and purchase products at www.boostmobile.com.

General Terms: We reserve the right to cancel offers early or extend offers without notice. Offers may not be available everywhere or combinable with other promotions/options. Coverage is not available everywhere and varies by service - see mapping brochures or visit our official website (www.mycricket.com) for details. Our services may only work with our phones - not all services are available with all phones, on all networks or within all coverage areas. Monthly service charges are non-refundable even if service is terminated or modified before your billing cycle ends. International roaming rates for voice and data services are additional and will vary. On calls that cross time periods, minutes are generally deducted or charged based on the call start time. Partial minutes of use are rounded up to the next whole minute.

Nature of our Service: Our rate plans, devices, services and features are not for resale and are intended for reasonable and non-continuous use by a person using a device on Cricket's networks.

Availability of features vary. All third-party products, services and/or trademarks are property of their respective owners and are not endorsements of Cricket services. *Unlimited international calling is limited to landline telephone numbers as well as certain geographic regions of cities and towns within a particular country. The list of destination telephone numbers is subject to change without notice. See mycricket.com/paygointernational to check if the numbers you wish to call are eligible. Additional charges apply for other international calls, premium calls, and roaming.

**Available on supported devices.

Additional charges apply for other international calls, premium calls, and roaming. Rate plans include a full-speed data usage level. Once you reach your usage level, speeds will be reduced. Additional full-speed data is available. Visit mycricket.com/fairuse for details. Muve Music does not count toward the Full-Speed Data Allowance. Picture and video messaging, mobile web, and roaming (25¢/minute) are not available in all areas. Service may be limited or terminated for excessive use of unlimited partner coverage. For coverage details, visit mycricket.com/coverage. Sales tax excluded. Terms, conditions, and other restrictions apply.

NEED TO MAKE INTERNATIONAL CALLS?

Now all Cricket PAYGo plans include Unlimited International Long Distance!

Cricket offers two great ways to keep in touch with friends and family across the globe. Enter the number you wish to call to see if it's included in your rate plan, or if it's available for attractive per minute rates.

Enter the phone number you want to call:

011

011 + country code + city code + phone number (Ex: 011 52551234567). For calls to the US, Canada, or the Caribbean please enter the format: 1 + area code + phone number (Ex: 1 78712345678)

Limited-time offer; subject to change. Taxes additional. Not all features available on all devices. **Unlimited talk & text features for direct US communications between** days; if sufficient balance, plans automatically renew at expiration. If balance is insufficient to renew for 120 days, account will be converted to Pay As You Go. **Pay As You Go:** activation/refill/conversion. Then, your account will be suspended. Gold Rewards requires activation of \$100 in refills while on Pay As You Go plan. **Pay By The Day:** Service will be charged for each day you use plan services. Daily rate charges apply when you send or receive any call or message, including calls to voicemail and other call usage occurs, including background data connections or automatic data syncing by applications or features. The daily rate for each plan will be deducted each time you send or receive a message or use data in the service zone associated with your phone number. If call spans multiple days (e.g., from 11:58 p.m. to 12:05 a.m.), you may be charged the daily rate for each day. Plan Changes: Features or credits associated with your prior plan will no longer be available, and you are not able to switch back to some plans. Some plans will not allow early renewal. Service required to use service. Domestic use only; additional charges apply for international use. Calls rated on a per-minute basis. Partial minutes/kilobytes rounded. No data rollover. Download speeds available up to data allotment; then slowed to up to 2G speeds. Device and screen images simulated. **Coverage** not available everywhere. **Network Management:** Network congestion may result in reduced speeds. Service greater than 2GB will be prioritized over other currently offered plans during periods of congestion. Service may be **slowed, suspended, terminated, or restricted** for multiple reasons, including but not limited to: poor quality service to other users, or significant roaming. **Pay-in-Advance Mobile Internet Plans:** Service available for time period and/or usage amount provided by Pass. Features associated with account phone number. Usage rounded up to the nearest KB each session. Only one Pass may be active at a time. Account suspended after 365 days of inactivity. Domestic only; no roaming. Compatible device required.
